

NellyCoin (NLY) — Whitepaper

Executive Summary

NellyCoin (NLY) is a community-driven meme coin inspired by Nelly the cat, combining fun, transparency, and progressive utility. Built on BNB Smart Chain, NLY aims to gather an active community through simple mechanisms such as staking, contests, partnerships, and strong branding.

Vision & Mission

- Build a sustainable community around a unifying mascot.
- Ensure transparency and security (public contract, LP lock, audit).
- Develop progressive utilities: staking, NFTs, P2E mini-game.

Tokenomics

- Total Supply: 1,000,000,000 NLY
- Taxes: 0% at launch, then 5% (3% marketing + 2% LP)
- Chain: BNB Smart Chain
- Ticker: NLY

Allocation

- Liquidity Pool — 30%
- Marketing — 10%
- Reserve — 35% (locked)
- Staking/Rewards — 25%

Official Addresses

Token: 0x4bfF...804b5
Marketing: 0xdb53...d6494
Staking: 0xa90c...6e52
Lock: PinkLock

Roadmap

Phase 1: Contract, Website, Community, Presale
Phase 2: PancakeSwap Listing, LP Lock, Fees Activation, Marketing & Audit
Phase 3: Staking, NFT Club, Partnerships, P2E Mini-game
Phase 4: CEX Listings, DAO, Metaverse, 1M Holders

Security & Transparency

- Verified contract on BscScan
- LP Lock via PinkSale
- Audit scheduled (BlockSafu or Coinscope)
- Ownership renounced (if applicable)

Future Utilities

NLY staking will reward holders via controlled issuance. Partnerships, P2E game, and NFT collection are planned.
